SUMMARY

A motivated and detail-oriented Computer Science student with a strong foundation in programming, data structures, web development, and artificial intelligence. Proficient in languages such as Python, Java, and C, with hands-on experience in building real-world projects. Actively developing skills in cloud technologies, and AI through internships, certifications, and personal projects. Eager to apply technical knowledge in collaborative environments and contribute to innovative software solutions.

EDUCATION

•Bachelor of Technology in Computer Science & Engineering

Malla Reddy College of Engineering & Technology, Hyderabad

•Intermediate (12th Grade)

Sri Chaitanya/Jr. College, Gandimaisamma

•SSC 2020

Celestial High School Siddipet CGPA: 10.0

PROJECTS

•E-Governance for Rural Empowerment - Solving Problems Faced by Rural Communities

Completed

2023-2027

2020-2022

Percentage: 92.3%

CGPA: 8.78

HTML/CSS, JavaScript

- The project aims to provide rural citizens with easy access to essential government services like certificates, welfare schemes, and grievance redressal through a digital platform, reducing the need for physical visits to government offices.
- By digitizing records and making government processes accessible online, the system enhances transparency, minimizes corruption, and ensures that benefits reach the intended rural beneficiaries without intermediaries.
- The platform serves as an information hub for rural residents, providing updates on government schemes, health services, agricultural guidance, and educational programs contributing to overall rural development and empowerment.

TECHNICAL SKILLS

Programming Languages: C, Python, Java, etc. Web Development: HTML, CSS, JavaScript etc.

Core Skills: Object-Oriented Programming, Database Management Systems (MySQL) etc.

Computer Skills: Operating Systems(Windows, Linux) etc.

Soft Skills: Communication, Problem Solving, Work Ethic, Critical Thinking etc.

CORE COMPETENCIES

- * Strong problem solving and analytical thinking.
- st Excellent communication and collaboration skills.
- \ast Quick learner with adaptability to new technologies.
- * Attention to detail and commitment to quality.

TRAININGS & CERTIFICATIONS

- * Cambridge English Empower CI Level Course, Cambridge, Oct 2023 Jan 2024
- * Web design workshop college level, Web development, Mar 2024
- * Completion of course, "C" and "Java", Jun 2023
- * Participated in college level coding, Hackathon, Feb 2024
- * Attended Training on HTML, CSS, JavaScript, React.js, Django, MongoDB, MySQL, Node.js, Jun 2025

EXTRA-CURRICULAR ACTIVITIES

- * Participated in Online Coding Contests
- * Participated in college-level Hackathon competitions
- * Attended workshop on Python(Flask, Django) and Web Development
- * Interested in playing sports like cricket and showing consistency towards a team.

DECLARATION

I hereby declare that the information provided in this resume is accurate to the best of my knowledge and belief.
